2021-22 SCHOOL YEAR PROTOCOLS FOR CONTROLLING COVID-19

STAY

If students feel sick or see symptoms of sickness stay home or send home. Students waiting on test results should stay home as well.

WEAR

Students are required to wear masks as a mitigation measure, however, parents may opt their student out.

CLEAN

Schools will continue to encourage routine cleaning of classrooms and high-traffic areas.

WASH

Students will continue to be encouraged to practice routine handwashing throughout the day.

Protocol for Students

1

Exposed* to COVID-19 positive case

Asymptomatic

Symptomatic

See #2

Parent /Guardian allows the student to attend school and school sponsored events so long as the **student is asymptomatic**

OR

Parent/Guardian chooses to quarantine student for a period of time not to exceed 7 days from the date of last contact with the positive individual

2

Symptomatic **OR** COVID-19 Positive

Return after

Student receives a negative diagnostic test** and is asymptomatic

OR

10 calendar days have passed since symptom onset, the student has had no fever for 24 hours and the student's other symptoms are improving without medication.

OR

Student receives written permission from an MD, DO or ARNP to return to school. The student's other symptoms are improving without medication.

* Per CDC, exposure is close contact of 6-feet or less for 15 minutes or more. This is cumulative in a 24-hour period.

** A diagnostic COVID-19 test can be provided through a health care provider, clinic, pharmacy etc... If a home test is used it must have Emergency Use Authorization (EUA) from, or full approval by, the Food and Drug Administration (FDA) and the test should be used in the same manner specified by FDA's authorization or approval. Results should be sent to a laboratory, done through a mobile application, or monitored by a medical provider.
