Code of Student Conduct
CALOOSA MIDDLE SCHOOL DISCIPLINE PLAN

Student Rights and Responsibilities
Student rights and responsibilities are outlined in The School District of Lee County Code of Conduct printed by the School Board of Lee County. Please make sure you go over this booklet carefully with your parent/guardian and return the signature page to school. The document is located in the front of the Code of Conduct plan.

The consequences for breaking school rules are progressive in nature. Repeated rule violations will yield stricter penalties. Any staff member has the right to discipline a student who is not exhibiting proper behavior in school. Students who have a record of not following rules or who exhibit behavior that does not reflect the school and/or community will not be allowed to participate in school sponsored activities such as award assemblies, dances, field days, field trips, or other school sponsored activities.

Disciplinary Consequences
Improper student behavior will be considered to be that which interferes with the learning environment, safety of others, and the orderly function of school. The correction of improper behavior will be carried out in a firm, fair, and consistent manner in accordance with Lee County Student Code of Conduct.

After School Detention
After School Detention is held on Wednesday afternoons from 4:30 PM – 5:30 PM, as needed. An activity bus is available to take students to select stops. Please see the Activity Bus routes on our school website, these stops are often different from a student's regular bus stop.

Saturday School
The purpose of Saturday Detention is to provide students with an in-school alternative to out-of-school suspension when they fail to follow the Student Code of Conduct. In Saturday Detention, students will participate in activities or instruction in the skills needed to change the behavior that prevents them from behavioral and/or academic success in the normally scheduled school day. This may include reflective writing assignments and service in maintaining the school campus, such as cleaning up various areas on campus. The Saturday Detention assignment is scheduled by an administrator, and will be served from 9:00 a.m. to 11:00 a.m. on the specified date. Students must report to the front office by 9:00 a.m.

Guidelines for Saturday School:

- Students will be on time and prepared to work. Students are responsible for bringing all materials needed to complete their assignments, including Chromebook, notebook, textbooks, pens, and paper.
- Students will enter the room quietly and remain on task during the assigned time.
- Students will follow all instructions given by the detention supervisor.
- Students will sit in their assigned seats. Talking, eating, drinking, and sleeping will not be permitted in the Saturday Detention room.
- Students are not allowed to leave the room for any reason. Restroom breaks will be scheduled.
- Students are expected to adhere to all Caloosa Middle School policies including dress code and electronic device use policies.
- Students who are disruptive or unable to follow the rules outlined above will receive additional disciplinary consequences.
- Students must report directly to the Saturday School room upon arriving on campus.
- Transportation will not be provided
- Failure to attend Saturday School will result in additional disciplinary action.

In-School Suspension (ISS)
Students assigned ISS will not attend any class or school activity including participation in any sports. This includes all after school activities. Students will spend the day in the Proactive Room. The student is required to do all work assigned for the day. Students will either perform current work provided by the teacher, or remedial work provided by the teacher or the Proactive Room attendant. The Proactive Room has very strict rules and any infraction of these rules will result in further consequences. Students will have the opportunity to turn in work that was missed while in ISS, as if it were a validated absence.

Out-of-School Suspension (OSS)
A student assigned OSS is not permitted to be on school board property. No classes or any school activities, including after school or sports, may be attended during the period of suspension. A suspended student may not represent the school in any way under any circumstances. Any student on campus while on OSS may be subject to legal action (Florida Statute 232.26). Parents will be notified of out-of-school suspension by a phone call and a copy of the referral will be given to the student. A letter will also be mailed directly to the home.

A major priority here at Caloosa Middle School is that it is a safe and orderly environment for everyone. When a safe and orderly environment is accomplished, teaching and learning can occur at an optimum. In order to make Caloosa Middle School as safe and orderly as possible, there are common sense expectations for students and logical consequences associated with unacceptable

behavior.

Administration will monitor multiple infractions or serious infractions which could result in more rapid movement through the steps of consequences. Administration reserves the right to modify disciplinary consequences.

Medication
For students who must take medication, arrangements should be made with the attending physician so that the medication may be given at home before and after school hours. If this is not possible, the doctor must fill out a form in order for medication to be given at school.
